We polled some of Canada's leading designers to find out their top choices for appliances

WALL OVEN

SARAH KEENLEYSIDE & LINDSAY KONIOR
OANUK INTERIORS

"We love the white finish of this Miele oven, which allows us to integrate the wall oven into white cabinetry seamlessly. The 24-inch width can be easily designed into pantry walls, and the features include a steam-convection oven."

MIELE 24-IN. DGC 6800 PURELINE M TOUCH COMBINATION STEAM-CONVECTION OVEN

COOKTOP

ERIN FEASBY & CINDY BLEEKS
FEASBY & BLEEKS DESIGN

"You can't beat induction cooking. The safety aspect alone is a deciding factor for many of our clients, especially those who want the flexibility of placing their cooktop on the island. Kids can eat right in front of the cooktop with no fear of injury."

GE 5-BURNER BUILT-IN INDUCTION COOKTOP

DISHWASHER

EMILY GRIFFIN
EMILY GRIFFIN DESIGN

"I love the Bosch 800 Series dishwasher because it is so quiet. The controls are on the inside of the dishwasher, which means I can hide it with a cover panel to make it disappear into the cabinetry."
